## YOUR WEDDING AT ST JOHN'S

At St John's we are committed to making your wedding as memorable and special as possible. However there are certain things that are standard for every couple and these are listed below, with the accompanying fees where appropriate.

**Please note that we do not conduct weddings on Sundays.**

### COSTS

The basic cost for a wedding at St John's, which includes the provision of a clergy person as wedding celebrant, completion of required documentation, use of church including organ and provision of organist \$1700.00

**Bells:** As an option, you can choose to have the church bells rung at the completion of the marriage service. There are 3 bell ringers. The cost is \$150.00

**Church only:** It is possible in some circumstances to use the Church, and for couples to be married by an approved outside minister, with or without organ and organist. Please note the celebrant would need to be ordained in their particular denomination, and a licensed marriage celebrant. We reserve the right to decline this option in some circumstances. \$1700.00

**Deposit:** To guarantee your booking, we request a deposit of half the cost of the wedding, to be paid into this account:
